Product Description

New York, present day, alternate reality. Karen Brown, angry and frightened after a kidnap attempt, has a choice - being eliminated by government enforcer Jeffery Renschman or fleeing to mysterious Roma Nova, her dead mother's homeland in Europe.

Founded sixteen centuries ago by Roman exiles and ruled by women, Roma Nova gives Karen safety, at a price, and a ready-made family. Just as she's finding her feet, a shocking discovery about her new lover, special forces officer Conrad Tellus, isolates her.

But the enforcer has crossed to Europe to pursue her. Unable to rely on anybody else, she undergoes intensive training, develops fighting skills and becomes an undercover cop. But crazy with bitterness at his past failures, Renschman sets a trap for her, knowing she has no choice but to spring it...

Excerpt

I held the pen a few inches above the form. Scarcely seventy-two hours after being terrorised by government thugs, I was signing away something that other people desperately sought from that same government. Naïvely, they thought it gave them protection, rights and status. But I'd discovered the hard way what an illusion it was.

I duly signed K Brown. Would I ever use that signature again?
