## **The Life of Galileo (Library Edition Audio CDs) (L.A. Theatre Works Audio Theatre Collections)**

Bertolt Brecht, David Hare

Straight from London's National Theatre to L.A. Theatre Works! Unrelenting in his search for "simple truth" Galileo Galilei shatters beliefs held sacred for two thousand years. But, under threat of torture by the Holy Inquisition, his scientific and personal integrity are put to the test as he argues for his very life in a passionate debate over science, politics, religion and ethics that resonates to this day. This American premier, translated by David Hare and directed by Martin Jarvis, stars Stacy Keach and features an interview with Dr. E.C. Krupp, Director of the Griffith Observatory in Los Angeles.

A L.A. Theatre Works full-cast performance featuring: Neil Dickson, Roy Dotrice, Jeannie Elias, Jill Gascoine, Stacy Keach, Peter Lavin, Robert Machray, Christopher Neame, Moira Quirk, Darren Richardson, Alan Shearman, Simon Templeman, Joanne Whalley, Matthew Wolf.

The Life of Galileo is part of L.A. Theatre Works' Relativity Series featuring science themed plays. Major funding for the Relativity Series is provided by the Alfred P. Sloan Foundation to enhance public understanding of science and technology in the modern world.
