## **Zamira and The World of Z (Count of Monte Cristo)** Holy Ghost Writer

Zeddy's search for his father, Zane, finally leads to Zamira. After Zeddy relates dreams of travelling back in time, he and his mom, Zadie survive many adventures on a strange island in the Bermuda Triangle. There they meet and discover that The Count of Monte Cristo is Zeddy's grandfather while being attacked by Dragons and children Zombies, including uncharacteristically, Merlin. They rescue King Arthur, The Count of Monte Cristo and restore Merlin's sanity with the help of The Professor, Zachary Zenith. Along the way they encounter an entertaining version of Sherlock Holmes and even his side kick, Dr. John Watson.
