Beach Blues Joanne DeMaio

***New York Times* bestselling author Joanne DeMaio invites you to spend the summer by the sea, in a quaint New England beach town where friends and love await just outside the cottage doors.**

Celia Gray finds herself house-sitting a silver-shingled cottage at Stony Point. She arrives with her guitar, a few staging jobs ... and a bit of summertime sadness. That is, until an unforgettable group of beach friends draws her in like a breath of salt air.

Sal DeLuca heard the words in a dream: Take me to the sea. So after a decade of demanding work, he takes his first vacation in years. Trading in his suit and tie for blue jeans and boat shoes, Sal unexpectedly arrives at his mother's shabby inn on the Connecticut shore, winding his way into the lives and hearts of the close-knit beach community.

When Stony Point's two wash-ashores, Sal and Celia, meet, some say it's a match made in beach-heaven. And so begins a sweet seaside summer ... forging friendships, adventures and new love. But all is not at ease in the gentle sea breeze as a dark secret turns the tide for the Stony Point crew.

Beach Blues is a novel bringing you right to its secluded fishing shack and weathered boardwalk, to its wooden rowboat and lantern-lit porches. A novel that welcomes you, as much as it may break your heart.

From reader reviews:

Nancy Mitchell:

Playing with family in a very park, coming to see the coastal world or hanging out with buddies is thing that usually you could have done when you have spare time, subsequently why you don't try matter that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Beach Blues, it is possible to enjoy both. It is great combination right, you still need to miss it? What kind of hang type is it? Oh can happen its mind hangout guys. What? Still don't understand it, oh come on its known as reading friends.

Ashley Staley:

In this age globalization it is important to someone to find information. The information will make a professional understand the condition of the world. The condition of the world makes the information simpler to share. You can find a lot of references to get information example: internet, newspapers, book, and soon. You can see that now, a lot of publisher that print many kinds of book. Typically the book that recommended for your requirements is Beach Blues this book consist a lot of the information on the condition of this world now. This book was represented how does the world has grown up. The dialect styles that writer use to explain it is easy to understand. The particular writer made some analysis when he makes this book. That's why this book acceptable all of you.

Lisa Marsh:

What is your hobby? Have you heard which question when you got pupils? We believe that that issue was given by teacher on their students. Many kinds of hobby, Every individual has different hobby. And you know that little person including reading or as reading become their hobby. You have to know that reading is very important and book as to be the thing. Book is important thing to add you knowledge, except your current teacher or lecturer. You will find good news or update with regards to something by book. A substantial number of sorts of books that can you choose to use be your object. One of them is this Beach Blues.

Gale Velez:

Reading a book make you to get more knowledge as a result. You can take knowledge and information coming from a book. Book is written or printed or created from each source that filled update of news. On this modern era like currently, many ways to get information are available for a person. From media social similar to newspaper, magazines, science guide, encyclopedia, reference book, book and comic. You can add your understanding by that book.
