The Hunger Games - An Academic Review Karla V.

The object of this review is to analyse and describe some of the main issues presented in the plot of the book *Hunger Games*, written by the North-American author Suzanne Collins. This review will examine some of the post-apocalyptic and dystopical problems resulting from the post-war period described in the book, such as hunger, poverty, disease, government's oppression, lost of identity, murder, torture, the power of media and its possible mental and political control, feminism, among others. This review will also try to explore the origins of the ideas that may have influenced the creation of this literary work, and compare its similarities with other works previously published by other authors in the literary world. In addition, certain relevant narrative criteria chosen by the author will be examined.
