Blood Will Tell Christine Pope

Welcome to Iradia, where the Gaian Consortium looks the other way if enough money changes hands, and the best way to ensure a long life is to secure passage off-world... When Miala Fels' father is murdered by a vicious crime lord, she decides the best way to get her revenge is to hack the accounts of the man responsible and bleed his hoard of ill-gotten loot dry. Her plans go awry when Mast is killed by a rival, and she ends up nursing one of his men, the notorious mercenary Eryk Thorn, back to health. Her only thought is to have Thorn help her get off-world in exchange for half of Mast's treasure. The last thing she expects is to lose her heart to him...or to have the consequences of that love change her life forever.
