For the first time, the *Gifted Child Today Readers* series brings together the best articles published in *Gifted Child Today*, the nation's most popular gifted education journal. Each book in this series is filled with exciting and practical classroom ideas, useful summaries of research findings, discussions of identification and classroom management, and informed opinions about educating gifted kids. Anyone involved in education will benefit from the practical, research-based ideas this unique series has to offer.

Language Arts for Gifted Students offers information on the characteristics and identification of students who are gifted in English/language arts, developing differentiated curricula that include multicultural components, and specific teaching strategies, such as integrating drama with literature, using storytelling activities, and developing a writers' workshop.
