**Loved By Choice: True Stories That Celebrate Adoption** Susan Horner, Kelly Fordyce Martindale  
Loved by Choice offers a clear and uplifting look at adoption from virtually every perspective. It is comprised of true stories that reflect the joys and the difficulties of those touched by adoption. Families working out an overseas adoption, those creating interracial families, grandparents, birth mothers, and even birth fathers are among the many who tell their stories. Two appendices define adoption terms and outline resources that will be helpful to those exploring adoption. The emphasis of Loved by Choice, though, is to demonstrate how adoption can complete a family. It's a poignant celebration of adoption, led by those who understand it best. This book's prolife, positive, and upbeat message will be a welcomed source for women facing pregnancy choices, anyone working with unwed mothers, adoptees, adoption advocates, prolife advocates, couples considering adoption, and anyone else interested in stories that celebrate adoption. It is an ideal book for bookstores and libraries to display in November, which is Adoption Awareness Month. Loved by Choice will also be popular at the many adoptionrelated conferences, book readings, and fairs that take place around the world.
