Of all the places to live on Earth, what are the best? Every year, the United Nations determines which countries answer this question. *Money* magazine asks the same question about cities across the United States. *Forbes* magazine completed a similar assessment on a global scale.

In *The Four Best Places to Live*, Mark Buchanan evaluates the four best places to live—not according to the United Nations, *Money*, or *Forbes*—but according to God and Scripture. Where do we find the greatest joy, peace, and wisdom? Where can we go to experience the deepest sense of belonging? Is there a place that abounds with adventure where we can also feel safe, refreshed, and joyful? With compelling insight, Buchanan explores what God has revealed in His Word about where we become most alive, become most fully ourselves, and can dwell most closely with Him.
