Each year forty-six million women choose abortion. Why? For very good reasons. The Wisdom of Abortion is a unique book that discusses the immediate positive consequences and the long-term benefits - for the woman, for her children, for her family, and for her country. After a detailed account of what science says (and doesn't say) about fetal development, The Wisdom of Abortion debunks some popular myths about abortion and religion. It also offers practical advice for the woman who is actively considering abortion. The Wisdom of Abortion is a straightforward, down-to-earth, powerful book that describes the reasons for abortion, the benefits of abortion, and, indeed, the wisdom of abortion. <http://WisdomOfAbortion.com>
