Bred by the Beasts Aya Fukunishi

On a jungle island somewhere deep in the Savu Sea lives a legendary tribe: the big pella. Some think they're monsters, violent hunters of man. Some think they're a lost tribe of humans, separated for centuries from the civilized world. Some even believe they are gods in (almost) human form. Whatever they believe, all stay away... ... Except one young woman. Amy is searching for the truth; searching for the answer to questions asked years earlier. She needs to find her friends. Did the lost tribe kill them? She'll soon learn the terrible truth... Amy is about to be bred by the beasts. Excerpt: My God, I've never felt so full! 'Please! No! Too deep!' I gasped, my voice little more than a shocked, timid whisper. I was completely under the creature's spell, barely able to form words. This close to its body my senses reeled under the thick, musky odor, the smell driving me wild with desire. Despite the pain it felt incredible as the creature lifted me, sliding my tiny body up and down on the bulbous tip of its shaft. In just a few moments the beast came powerfully, shooting a sticky stream of cum deep, deep inside me. The creature growled and panted, blowing back my hair with its strong, hot breath. The cum overflowed from me instantly. My tiny pussy was no match for the volume of semen held in those heavy, pendulous balls. It ran down my legs in a thick stream, coating me from the waist down in creamy liquid that filled the jungle with a rich, pungent scent. I could feel it drip thickly from my toes, gathering in a pool beneath me. The cock slid quickly out of me and I was tossed to the ground in a wet, sticky heap. I could already feel the change inside me, the dizzying effect of the pungent, powerful cum. Still the beast's pink shaft spurted thick juice like a fire hydrant, bursting onto my face and dripping into my wide open mouth, running between the hollow of my breasts and spattering on my firm, tight nipples. That was all I remembered. I felt the cum turn me docile. The last shred of fear evaporated. I wasn't even worried that the vast cock might tear me apart any more. All I knew was that these creatures were my new masters. I'd do anything to please them. I was theirs for the taking.
