Clean & Simple Cards: Quick, Easy Projects that Celebrate the Basics of Design Theory (Annie's Attic: Paper Crafts) Tami Mayberry

The classic simplicity of minimalist card design can be unexpectedly complex, and this guide to the popular style helps paper crafters meet the challenge of understated sophistication in cards. More than 45 card designs are provided, with full instructions and close-ups that display card details, and the book includes source lists for recommended supplies to replicate the designs at home. The uncomplicated projects make the book suitable for beginners, and more advanced crafters will appreciate the outline of design theory that enriches their existing card-making experience. The basic tools and techniques of card creation are also covered, from stamping to hand-coloring.
