This is a standalone novel.

Fifteen-year-old Livvy Morris is a girl who has only known deception, despair, and abuse. Growing up in Georgia, in the fictional neighborhood of Hallow Hill, she has seen just about everything. After enduring so much tragedy in her young life, she thought that she was prepared for anything, until she lost her brother. In the blink of an eye, her life changed as her brother bled out in her arms. Feeling empty, afraid and alone, she is taken in by the leader of her brother's gang, Angelo.

Now trapped in the violent world that her brother tried to shield her from, she finds that those her brother trusted are the biggest deceivers. When Livvy gets caught up, her life is forever altered. She knows the code of the streets, but she's tired and wants to be free. When offered the opportunity to get out of trouble, she takes it, but there are consequences for every action. What will happen when she violates the code?
