Larry Wilson

In his first book, *Chasing Shadows*, Larry Wilson took his readers to some of the most haunted places in the Midwest. Now, come along for the ride again as he explores more mysterious locations, including the infamous Black Moon Manor and the Sallie House. Packed with mystery and suspense, each chapter details the full history of the location, alongside the author's own extensive investigation. You will learn what he has uncovered about ghosts and hauntings over his many years of experience in the field. Will an old, forgotten obituary give clues to disturbances at an apartment in Springfield, Illinois? Does a strange creature lurk in Elkhart Cemetery? Find the answers inside, if you dare... This updated edition contains additional information, not available at the time of the original publication, as well as expanded photographs from the locations.
