**Power & Interdependence (Paperback) - Common** By (author) Joseph S. Nye By (author) Robert O. Keohane

A landmark work of international relations theory, Power and Interdependence first published in 1977 and posited a radically comprehensive explanation of the mechanics driving world affairs? ? power politics? on one hand and ? complex interdependence? on the other hand. This widely influential book reexamined the military and economic interests of state and non-state actors, and in an argum...
