Tentacle Creatures on Earth 8: Revenge (Scifi Futanari Erotica) Tiffany Bell

The Tentacle Queen is powerless, but the threat is still very clear. The alien-human hybrids are out of control, acting more like packs of wild animals than obedient drones. The perverse tentacle creatures have a one track mind, only existing for carnal pleasure. Even the former Queen of the Tentacles isn't safe from their onslaught. Alex, the last of the assault on Earth, reunites with Mae'ixna, an alien woman from the rebellion, but this blue-skinned woman isn't acting quite like herself...

Will Alex be able to escape the clutches of the tentacle-infested Earth, or is the Mae'ixna's condition much worse than she lets on? Can the Tentacle Queen escape from her own mindless minions, or will she be reduced to just another mindless lust-driven creature?

This 7,500 word erotic short story contains highly sexual situations and is only intended for adult readers.
