The End Has Come and Gone: Zombie Fallout, Book 4 Mark Tufo

From Mike Talbot's journal:

"The End . . . has come and gone. This is the new beginning, the new world order and it sucks. The end for humanity came the moment the U.S. government sent out the infected flu shots. My name is Michael Talbot and this is my journal. I'm writing this because no one's tomorrow is guaranteed, and I have to leave something behind to those who may follow."

So continues Mike's journey. Will he give up all that he is in a desperate bid to save his family and friends? Eliza is coming: can anyone be prepared?
