his novel is a parallel novel to Times of Trouble and is the third novel of seven in The End Times Saga - Christian Fiction.

A preacher and his family, the Tyler's, have a church that is dying in Arizona. Even though the church is dying, they take care of the remaining senior saints, including the ones in nursing homes and in hospice. The other family in the church, the White's, head to Wyoming to live in a community that was originally started by Doomsday Preppers back in the early 2000's so they can attempt to escape the increasing persecution of Christians.

Meanwhile, President Collins orders the activation of Camps across the country that will house believers who he thinks are a threat to his rule. His patron, Michael Collins, manipulates events in the Middle East. The Tyler's end up with others in a camp in Arizona, while the White's and the community they live in gets attacked by government troops. Evans continues to manipulate events as the Rapture takes the Christians, and he gains ultimate power.
