Us Three Mia Kerick

In his junior year at a public high school, sweet, bright Casey Minton's biggest worry isn't being gay. Keeping from being too badly bullied by his so-called friends, a group of girls called the Queen Bees, is more pressing. Nate De Marco has no friends, his tough home life having taken its toll on his reputation, but he's determined to get through high school. Zander Zane's story is different: he's popular, a jock. Zander knows he's gay, but fellow students don't, and he'd like to keep it that way.

No one expects much when these three are grouped together for a class project, yet in the process the boys discover each other's talents and traits, and a new bond forms. But what if Nate, Zander, and Casey fall in love?each with the other and all three together? Not only gay but also a threesome, for them high school becomes infinitely more complicated and maybe even dangerous. To survive and keep their love alive, they must find their individual strengths and courage and stand together, honest and united. If they can do that, they might prevail against the Queen Bees and a student body frightened into silence?and even against their own crippling fears.
