Twenty-one year old Aidan O'Connell's world revolves around music and his father, sister and grandmother, the core family that supports him through the ups and downs of life. While he and his Macready's Bridge bandmates are on their first American tour, tragedy strikes. Aidan returns to his Derry, Ireland home to find his world torn apart. Macready's Bridge's other members, Patrick Leahy, Michael Sullivan and Niall Donoghue, and their manager Mack Macready, step in to help where they can, while at the same time coping with their own life challenges. As everything in Aidan's world collapses, he finds he must make some very difficult decisions, including letting go of people and things he once held close, in order to rebuild his life. Set against a rich Ireland background, with endearing, memorable characters, "Walking Through The Mist" is a story of relationships, faith, and the human spirit's struggle to survive when all is lost.
