In Alzheimer's disease there is a linear progression of clinical health status. As a caregiver for a loved one with Alzheimer's disease, a person can expect that their life journey will parallel the journey of their loved one. Your experiences will be shared with each other. We are made up of our person hood with a soul/spirit. These will be impacted by this disease for both you and your loved one. This is a journey of your mind, body and soul, for both of you. You will find this to be a journey with the Lord, you and your loved one. Now comes the time to use your Catholic faith. This book will guide you through some of these practices of faith as it relates to an Alzheimer's caregiver journey
