Braving the Storms: Strengthen What Remains Book 3 Kyle Pratt

In the first book, *Through Many Fires*, nuclear terrorism strikes the nation's capital and six other American cities. In the second book, *A Time to Endure*, society continues to unravel, and civil war threatens the divided and economically-crippled land.

Now a new and even more lethal problem emerges. A swift and deadly flu epidemic sweeps out of overcrowded FEMA camps and strikes the nation with horrific results. Caden Westmore struggles to keep his family and community safe, while others use the plague to advance their own military and political agendas. Caden must succeed, but how can he, when both the epidemic and chaos attack his hometown and family?
