Here's what people are saying:

"I just finished this book today and was blown away! Koni brings the characters to life and makes the reader feel every emotion. I thought I was reading a Karen Kingsbury novel with how invested I was in the characters!! I read a lot of books and not many have had the ability to do that. I can't wait to see what she comes up with next!"

"This was a captivating read. I could not put it down once I started reading it. It is a combination of spiritual, ordinary relationships, mysteries and life lessons. I simply loved it and recommended it to all my family and friends. I cannot wait for Koni Atencio's next novel. I am normally "a mystery" only reader, however this book was much more than I had anticipated. You will not be disappointed, read it!!!!"

"The disappearance of her husband in the Colorado mountains leads Nicole to a challenging crossroads—find hidden strength or fall part without the man she's leaned on for fourteen years. A true page-turner, the book keeps the reader's attention to the very end. Looking forward to more books from this author."

Inspirational Religious Fiction with Realistic Characters and Unpredictable Outcomes

When a family vacation becomes a family tragedy, will Nicole Madrid find the strength she needs to protect her daughter and save her husband? Or will she succumb to her fear and fall apart?

On the final day of their camping trip, Nicole's husband disappears leaving her stranded in the Rocky Mountains with nothing but a dead cell phone, her impatient twelve-year-old daughter, and an impending winter storm blowing in on black clouds. Several strange and mysterious locals, including the corrupt police chief, offer only resistance and stern warnings to go home. As Nicole searches desperately for her husband, she discovers the disturbing secrets of a small town, the necessity of friendship, and a source of untapped courage. Nicole's shattering experience awakens her sense of compassion as she bonds with some colorful characters who deepen her faith and change her life.

Excerpt:

"Breaking develops compassion, you know?" Maggie says.

"You split apart, and you wonder why God who's supposed to love you would let you break that way. You try to believe He has a purpose and a plan just like He promises. Heaven knows enough people tell you so, but you can't see it. He doesn't have to show us the pattern first. He doesn't need our approval. He is God, and He can do whatever He wants. We just have to accept it and fight like mad not to be bitter about it.

Then one day, some other broken soul comes along with an edge that fits next to yours like two pieces of the same pattern. That's when your pain and your life take on a new meaning with a greater dimension than you'd have ever known, if not for your own brokenness."
