Classification of Nursing Diagnosis: Proceedings of the Tenth Conference (Classification of Nursing Diagnoses) Rose Mary Carroll-Johnson
This volume represents the most current work of NANDA - the presentations and proceedings of the Tenth NANDA Conference. This is the only publication to include the supporting materials for the 1992 diagnoses approved for clinical testing and validation studies for diagnoses accepted in previous years. Includes coverage of all papers and presentations and contrasting and corroborating views. Other valuable information covers: the official, approved definition of a nursing diagnosis; clinical experience with implementation and utilization; the current list of nursing diagnoses accepted for clinical testing; the up-to-date version of the NANDA taxonomy; research reports on individual diagnoses; and much more.
