Fogged Up Fairy Tale Denise Baer

Brand Rye's life has come to a halt. She's lost everything—even her memory. After spending time in the hospital, Brand returns home to a husband she doesn't remember, and a life that has disappeared overnight. Her husband, Easton, provides Brand with bits and pieces of her past while she tries to put it all together. As Brand learns about her life, she begins to realize that she isn't the person she hopes to be... or is she? Alcohol and loss are what brought Easton and Brand together. Once out of rehab, Easton offered Brand a place to stay for a price. With nothing left to lose but her sarcasm, Brand took him up on his offer, which began a whirlwind of adventure, sexual tension and their fairy tale of love. Is Brand's second chance too late? Or will she be able to cope with the secrets as they're revealed?
