Hello there, it's Phyllis and I want to invite you to come on this venture with me. But please don't come empty handed. You'll need to bring your God-inspired dreams and visions along with you. On this venture you'll experience excitement, emotions of every kind, and even make some new friends. I want to equip and support you to journey back to the future you just experienced. I've invited twenty-five other successful women of all ages to travel on this journey with you. They will share their stories. They will share their struggles. They will share what held them back from moving forward. But they will also share their stories of victory. How their "Storm Stories" were transformed into "See What God has Done Stories." Each woman is unique. Each story is different. But be assured, you will walk away with wisdom, knowledge, tips, tools, tactics and resources to move you to action and take you from Vision-2-Victory!
