Impotence - Erectile dysfunction treated with Homeopathy, Schuessler salts (homeopathic cell salts) and Acupressure: A homeopathic, naturopathic and biochemical guide Robert Kopf

Erectile dysfunction occurs when a man has permanent problems sustaining an erection. Male sexual arousal is a complex process that involves the brain, hormones, emotions, nerves, muscles and blood vessels.

Impotence and erectile dysfunction can lead to unsatisfactory sex life, fear of failure, embarrassment, low self-esteem, depression and relationship problems. Symptoms of impotence and erectile dysfunction are persistent trouble getting an erection, keeping an erection and reduced sexual desire. With age, this problem becomes more common.

Causes of erectile dysfunction are age, chronic health problems, heart disease, circulatory disorders, atherosclerosis (a hardening of the arteries), high cholesterol level, high blood pressure, diabetes, obesity, neurological disease (Parkinson's disease, multiple sclerosis), hormonal changes and disorders (low testosterone), certain medications (antidepressants, antihistamines, medications to treat high blood pressure), alcohol and smoking, drugs, surgeries or injuries that affect the pelvic area or spinal cord, lack of exercise, poor diet and an acidification of the body.

Psychological causes of impotence and erectile dysfunction include depression, anxiety, stress, relationship problems and other mental health conditions.

In this homeopathic and naturopathic adviser I will give you recommendations how to treat impotence and erectile dysfunction with Homeopathy, Schuessler salts (also named cell salts, tissue salts, biochemistry), and acupressure. I will present you the most proven homeopathic and biochemical healing methods (Schuessler salts), including the appropriate potency and dosage. Homeopathy works holistically and treats the whole body, spirit and soul.

Acupressure comes from the Far East. During the acupressure treatment special points are pressed, massaged or rapped. As long as the energy is distributed evenly throughout the energy channels (meridians) of the body, the person is healthy. When the energy flow is disrupted, the person is sick. By treating certain points, the energy between the meridians will be balanced and the patient gets enough power to become healthy.

I wish you much success in your treatment of impotence and erectile dysfunction, joy of life and especially your health. You will find more information about health in my other ebooks.
