Renegade Orion: A Scifi Alien Shifter Romance (Shifter Kings of Kartak Book 2) Delores Diamond

My personal fairy tale had almost come true. I was a powerful merchant princess with my own Mercantile House. I had a title, servants, and unimaginable wealth. I was missing just one thing... a fated mate. A Prince Charming, if you will.

But life on Kartak is hardly like a storybook.

Betrayed on a mission to unearth an ancient technology, I fell into the clutches of Kartak's barbaric skinner forces.

Now, my only hope for survival is a Tulani mercenary, a savage alien with a short temper and a lusty fire in his eyes. One touch, and I'm worried we'll both burn alive.

Could this brutal alien be my fated mate? Or will he betray me to my worst enemy?

My life is in the hands of my own personal Renegade.

Renegade Orion is book 2 of the Shifter Kings of Kartak series, but may be read as a standalone romance novel. But you may enjoy it more if you read Renegade Leo first. No cliffhangers and a sexy Happily Ever After guaranteed!

Renegade Leo (Shifter Kings of Kartak Book 1)
