## **RMS Titanic: The Wider Story** Patrick Mylon

While much has been written about the *Titanic* disaster and its victims, the tragedy sent repercussions around the world. Here Patrick Mylon explores many of the lesser-known aspects of *Titanic*'s legacy, telling the story around the disaster. Using rare and often previously unpublished images from his collection of White Star memorabilia, he puts emphasis on the vessels, events, and locations *Titanic* encountered, was affected by and influenced in her short life. From strike-bound ships at Southampton, via those vessels that sent her ice warnings on that fateful night, through to the rescue vessels *Carpathia* and others, special trains, company advertising, newspaper reports, memorials, and even sheet music, this history provides a visual record of the disaster from a new perspective.
