Journey with FM to the land of the fantastic! We remember the life and legacy of legendary author and long-time friend of FM, Ray Bradbury. With original, never-before-published writings and photos, an interview with our very own Forrest J Ackerman, and so much more. This is our tribute to the man whose imagination reached beyond the stars. And with Peter Jackson set to release his first film in his HOBBIT trilogy, we'll look back at the literary and animated roots of the Baggins family. From Tolkien's towering series to the animated movies beloved by generations, we'll leave no stone unturned. Issue 265 also features an exclusive interview with DJANGO UNCHAINED director Quentin Tarantino as he talks about his love of Hammer films and director Terence Fisher. Oz Perkins chats about his father Anthony and the legacy of Hitchcock's PSYCHO. Plus much, much more! With HOBBIT cover by Sanjulian.
