Editorial Reviews

Captivating, entertaining, and downright funny, this book will keep you reading until the satisfying ending. Unique characters capture your heart and have you rooting for them from the beginning. Gabby St. Claire is truly a breath of fresh air. (Susan Sleeman *The Christian Suspense Zone*)

Christy Barritt created one lovable and unique character. Readers will fall in love with Gabby from page one with her laugh out loud scenes and sarcastic humor. This mystery was fun to read as well as to solve. Up until the very end, I wasn't too sure who the real suspect was in the book. I'm not sure if Gabby St. Claire will morph into a book series, but I'm sure readers will want to meet her again at future crime cleaning scenes. (Tyora Moody Faithwebbin)

If you like murder mysteries and suspense with a chick-lit feel, you'll want to read this one! (Michelle Sutton michellesutton.net)

"The next time you're tempted to watch CSI reruns, read this book instead! Spunky, sassy Gabby St. Claire sparkles in this new series. She'll keep you turning the pages." (Siri Mitchell, bestselling author)

"In this witty novel, chick lit meets mystery in the show-tune singing Gabby, creating a fun whodunit where you just don't know who killed the woman or which guy you like for the heroine. There's the changeable Detective Parker or the sweet guy-next-door-with-a-secret Riley for Gabby, and who but the would-be Senator husband would want the murder victim dead? Hazardous Duty will take you on a ride through twists, turns, quirks, acorn brownies, and spiritual questions that keep Gabby guessing. She's a character you're guaranteed to love, and the plot is entertaining and fast paced." (Roseanna White Christian Review of Books)
