Nowadays increasingly more people all over the world have great interest in learning Chinese. There are many possible reasons: Maybe you want to increase your chance of finding a well-paid job, maybe it's because you have heard so much about this country that you want to find out more, or maybe it's just for fun. But since you've decided to try it out, let's embrace the process with a positive attitude! You're not alone in this, and I'm hoping this book will help you with a good start. This E-book is mainly an intro to the alphabet (pinyin), pronunciations, commonly used words and dialogs. There's also a brief introduction to word types including nouns, verbs, conjunctions, numerals, classifiers etc. The dialogs are practice-oriented. The materials are chosen from our daily life and range from self-introduction to family, school, public services etc. It can help you order in a restaurant, take a taxi, go shopping and have small talks. So if you want to learn Chinese in a short time or need an intelligent dictionary that you can carry around, this book would be ideal for you to learn from. It's very important to take the fundamentals seriously, because they are the keys to success. Although this is a book written for those who want to learn Chinese quickly, there is never any shortcut when it comes to learning a foreign language. But most importantly, have fun while learning.
