Hag (Rapunzel)

Giant's Way (Jack and the Beanstalk)

Once Upon a Time...

We all know the time-honored fairy tales of Rapunzel and Jack and the Beanstalk.

Or do we?

Not everyone gets a happily-ever-after. What about the villains? Why were they so mean? And how did they turn out this way?

Author Shea Berkley always wondered about the other side of the story. Was Rapunzel really such a victim? And why was it okay for Jack to steal from the Giant without remorse or consequences?

Pull up a chair and join us for two tales told from the other point of view. The point of view of the Hag and the Giant. You might never feel the same way about the story of Rapunzel's long hair or Jack's tall beanstalk again.
