Joel Rosenfeld

Principles of Real Estate Accounting and Taxation Joel Rosenfeld

"Principles of Real Estate Accounting and Taxation combines both accounting and taxation within one book specific to commercial real estate. The book is relevant to students of real estate as well as investors, developers, brokers, lenders, accountants, lawyers, and others working in the commercial real estate industry. The book includes the following features: Clear and concise chapters on taxation Case studies of typical real estate transactions Analysis of economic profitability, including tax implications of transactions The accounting sections of the book give students a better understanding of the accounting process that ultimately produces the financial statements critical in buying and selling real estate. Many books cover accounting or taxation. By addressing both areas, Principles of Real Estate Accounting and Taxation provides students and professionals with a uniquely well-rounded educational experience in commercial real estate."

From reader reviews:

Barbara Harp:

Reading a guide tends to be new life style on this era globalization. With examining you can get a lot of information that may give you benefit in your life. Having book everyone in this world can share their idea. Guides can also inspire a lot of people. A lot of author can inspire all their reader with their story or perhaps their experience. Not only the story that share in the ebooks. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors these days always try to improve their skill in writing, they also doing some research before they write to their book. One of them is this Principles of Real Estate Accounting and Taxation.

Mary Salas:

Many people spending their period by playing outside using friends, fun activity along with family or just watching TV all day every day. You can have new activity to invest your whole day by looking at a book. Ugh, think reading a book really can hard because you have to accept the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Mobile phone. Like Principles of Real Estate Accounting and Taxation which is keeping the e-book version. So , why not try out this book? Let's find.

Ruby Mejia:

This Principles of Real Estate Accounting and Taxation is fresh way for you who has intense curiosity to look for some information mainly because it relief your hunger associated with. Getting deeper you upon it getting knowledge more you know or you who still having tiny amount of digest in reading this Principles of Real Estate Accounting and Taxation can be the light food to suit your needs because the information inside this particular book is easy to get through anyone. These books acquire itself in the form and that is reachable by anyone, yes I mean in the e-book application form. People who think that in reserve form make them feel drowsy even dizzy this book is the answer. So you cannot find any in reading a book especially this one. You can find actually looking for. It should be here for an individual. So , don't miss it! Just read this e-book style for your better life in addition to knowledge.

James Martin:

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just little students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Principles of Real Estate Accounting and Taxation can make you really feel more interested to read.
