With a young girl's life on the line, can Billie and Nolan work together to save her while keeping their attraction to each other at bay?

North West Side Chicago. A man's phone rings at 3am, and it's every father's worst nightmare - his little girl is in danger.

Fort Wayne, Indiana. Belinda 'Billie' Chapman is working the overnight shift at WVOX-TV when she's called away to photograph a car that's crashed into the second story of a house. But when a little girl is spotted in the house across the street, the aggressive behaviour of her guardian piques Billie's curiosity.

Nolan Voss has come to Fort Wayne to check on WVOX-TV, the station he owns. Rich, uptight and deliciously hot, he can't keep away from the fiery Billie, and that means being dragged into her plan to help the young girl.

Each step closer to finding the truth leads them to a dangerous plot that has come all the way from Chicago. Will the danger only fuel their irresistible attraction to one another? Or will one of them get burned?
