"There is no feeling in the world like sitting in a side-door Pullman and watching the world go by, listening to the clickety-clack of the wheels, hearing that old steam whistle blowing for crossings and towns." -George Phillips in *Riding the Rails*

At the height of the Great Depression, 250,000 teenage hoboes were riding the rails and roaming America. Some left home out of desperation and went looking for work and a better life, sometimes traveling hundreds of miles on the rumor of a job waiting farther down the line. Others left out of boredom; still others with a *wanderlust* and romantic idea of life on the road.

The restless youth of these boxcar boys and girls, many who went from "middle-class gentility to scrabble-ass poor" overnight, is recaptured in *Riding the Rails*. Based on the award-winning documentary, this book dispels the myths of a hobo existence and reveals the hard stories of a daring generation of American teenagers-forgotten heroes-who survived some of the hardest times in our nations' history. Whether you're a "gaycat" (novice rider) or a "dingbat" (seasoned hobo), *Riding the Rails* is entertaining and inspiring, recapturing a time when the country was "dying by inches."
