Euripides

The Bacchae: In an English Version Euripides

One of the greatest of all Greek tragedies - savage, comic and intensely lyrical - The Bacchae powerfully dramatises the conflict between the emotional and rational sides of the human psyche. The magnetic young Dionysus - icon, hedonist, god - returns home with his cult of female followers to exact his revenge, unleashing the full force of female sexuality on the city. David Greig's version of The Bacchae premiered at the King's Theatre, Edinburgh, in August 2007 in a co-production between the Edinburgh International Festival and the National Theatre of Scotland.
