The Fall of the ANC: What Next? Prince Mashele, Mzukisi Qobo

Political governance in South Africa has collapsed. Scandals of corruption, evidence of nepotism, rampant maladministration in provinces, incompetence in public offices and a general decline in the quality of leadership are there for all to see.

In the authors' view, this state of affairs has its origins in the messiness and collapse of the African National Congress. As helplessness deepens in our society, concerned citizens ask: What will happen to South Africa? The Fall of the ANC: What Next? seeks to answer this question of the fate that awaits the country.
