Vidas Extraviadas (Spanish Edition) Alfredo Gaete Briseño

Vidas Extraviadas es una novela de ficción situada en un contexto actual, basada en la realidad de aquellas personas que pierden el rumbo de sus vidas en el ámbito social, laboral, afectivo y familiar. Un sabroso relato repleto de situaciones misteriosas que combina las historias de individuos que vegetan sin horizontes, quienes entre romances, asesinatos y diversos delitos, se dejan llevar por las circunstancias a través de un inmenso laberinto que no les conduce a parte alguna. Paralelamente, se devanan los sesos intentando encontrar sentido al cruce de la vida con la muerte, así como descubrir una puerta para acceder a la luz. Gregorio, Alejandra y Andalucía, entre otros, son personajes cuyas vidas turbulentas indican que nada vale la pena, que el único valor que ofrece su existencia proviene de logros que justifican los medios, con efímeros momentos de pasión que, cimentados en el aire, les conduce al consecuente sufrimiento. Una realidad de muchos que nadie desea, pero que al interior de la novela aporta una gran riqueza, manteniendo la atención del lector despierta en todo momento. Esto sumado a la innovadora forma con que el escritor lleva al lector por un hilo conductor que juega con originales saltos entre épocas pasadas y presentes. A este dinamismo se suman las imágenes conformadas por la descripción de hermosos parajes de Chile en Santiago, la costa desde Cartagena a Valparaíso, San Pedro de Atacama y Puerto Varas, complementadas con historia, curiosidades y anécdotas. A medida que se avanza en la novela, el lector irá destejando hechos que le ayudarán a comprender cómo los personajes llegaron a cometer sus delitos, sus infidelidades y otros hechos desvariados, y cómo sus vidas extraviadas se cruzan.
