## *He can't like her, can he?*

I've invited my best friend over for a sleepover. I expected a fun night of drinks and catching up. What I didn't imagine was her to be flashing her curvacious body while we were all sitting down for dinner. How can my **slender frame** compete with that?

It's even worse because, as forbidden as my desires are, he's the only one I've ever wanted to **take my innocence**. I can't bear the way she flaunts herself around him. I want to be the **man of the house's** special girl forever!

Unfortunately I can't go into all the **first time** action here... **Click 'Look Inside'** for an exciting preview of Taboo that will take you **hard** and **without protection**.
