MINECRAFT

Grab your copy of part 5 now!

Us Minecraftians never have to deal with anything that dangerous. Oh sure, we battle the occasional skeleton and zombie, and on rare events we get to take on Ender Dragons and Withers. But this was something new entirely. Something that hadn't been seen for decades.

Danger Dan and Charles Brilliant are in more trouble than ever before.

Team Grieferz, a crew of pirates from Minecraft's oldest age, has begun terrorizing ships and people. They've left a trail of destruction in their wake, and have even managed to best the bounty hunters.

Bruised and battered, Dan and Charles are alive, but they'll soon have new threats to contend with. Trapped within The Lost Sea, they're left to face the most fearsome perils Minecraft has to offer.

And even if they do manage to get home, Team Grieferz has one final surprise left in store for them...

Diary of a Minecraft Bounty Hunter introduces us to a new line-up of hilarious and cool characters. Join Dan and Charles in an all-new series, as they take on good guys and bad guys alike, in an effort to save Minecraft and get some respect and fans. The perfect gift for any Minecraft lover.
