Dreams Revealed: Handbook for Biblical Dream Interpretation Terri Meredith

Dreaming is a time when God has our undivided attention, and He can speak to us, without us talking back or busying ourselves with something else that drowns out His voice. He uses dreams to tell us things about our purpose, prayers, character, and even hidden sin. An incredible amount of information is available to us in dreams if we will tap in to them and get understanding. As part of the "Dreams Revealed" series, the handbook for biblical dream interpretation provides the basic tools and information to get dreamers started understanding dreams. The book contains the scientific and spiritual basics of dreaming, an explanation of what to do with dreams, instructions for how to interpret dreams, and a dream symbol dictionary to explain the spiritual meanings behind words.
