Find Me: A Novel Laura van den Berg

Long-listed for the 2016 International Dylan Thomas Prize

After two acclaimed story collections, Laura van den Berg brings us *Find Me*, her highly anticipated debut novel--a gripping, imaginative, darkly funny tale of a young woman struggling to find her place in the world.

Joy has no one. She spends her days working the graveyard shift at a grocery store outside Boston and nursing an addiction to cough syrup, an attempt to suppress her troubled past. But when a sickness that begins with memory loss and ends with death sweeps the country, Joy, for the first time in her life, seems to have an advantage: she is immune. When Joy's immunity gains her admittance to a hospital in rural Kansas, she sees a chance to escape her bleak existence. There she submits to peculiar treatments and follows seemingly arbitrary rules, forming cautious bonds with other patients--including her roommate, whom she turns to in the night for comfort, and twin boys who are digging a secret tunnel.

As winter descends, the hospital's fragile order breaks down and Joy breaks free, embarking on a journey from Kansas to Florida, where she believes she can find her birth mother, the woman who abandoned her as a child. On the road in a devastated America, she encounters mysterious companions, cities turned strange, and one very eerie house. As Joy closes in on Florida, she must confront her own damaged memory and the secrets she has been keeping from herself.

From reader reviews:

Kathleen Allen:

This Find Me: A Novel book is not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this publication incredible fresh, you will get info which is getting deeper anyone read a lot of information you will get. This kind of Find Me: A Novel without we realize teach the one who studying it become critical in imagining and analyzing. Don't possibly be worry Find Me: A Novel can bring if you are and not make your carrier space or bookshelves' turn into full because you can have it in your lovely laptop even telephone. This Find Me: A Novel having very good arrangement in word as well as layout, so you will not really feel uninterested in reading.

John Malcolm:

The reason why? Because this Find Me: A Novel is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will surprise you with the secret that inside. Reading this book alongside it was fantastic author who all write the book in such amazing way makes the content interior easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of rewards than the other book have got such as help improving your expertise and your critical thinking way. So , still want to hesitate having that book? If I were being you I will go to the e-book store hurriedly.

Brian Rutt:

This Find Me: A Novel is great guide for you because the content that is certainly full of information for you who always deal with world and have to make decision every minute. This kind of book reveal it information accurately using great plan word or we can declare no rambling sentences in it. So if you are read that hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but tricky core information with wonderful delivering sentences. Having Find Me: A Novel in your hand like obtaining the world in your arm, data in it is not ridiculous a single. We can say that no publication that offer you world throughout ten or fifteen moment right but this publication already do that. So , it is good reading book. Hey there Mr. and Mrs. stressful do you still doubt that?

Larry Huff:

This Find Me: A Novel is completely new way for you who has fascination to look for some information given it relief your hunger of information. Getting deeper you into it getting knowledge more you know or perhaps you who still having bit of digest in reading this Find Me: A Novel can be the light food to suit your needs because the information inside this particular book is easy to get through anyone. These books develop itself in the form and that is reachable by anyone, yes I mean in the e-book type. People who think that in guide form make them feel drowsy even dizzy this publication is the answer. So there is not any in reading a guide especially this one. You can find what you are looking for. It should be here for an individual. So , don't miss that! Just read this e-book sort for your better life and also knowledge.
