It wasn't long until I felt the hot fluid fill my bowels, and I collapsed on the bed when he pulled out of me. Mr. Harrison wasn't done with me or Pet, though. "Pet, Laura has a mess in her back door. Why don't you take care of that?"

Laura had never been with anyone other than her husband until the day that she met Mr. Harrison. He's a very sexy **older man** who offers her husband an amazing job for the simple price of being his date for a party. She isn't required to do anything other than to be at his side at the party...

...in her sexiest lingerie.

Even the most devoted wife won't be able to restrain herself when she's surrounded by nubile bodies engaged in every sort of deviant behavior imaginable. The temptation will be too much, and her resolve will break after she watches **another woman sensually play with herself**. The **glory hole** that she encounters afterward will break down the dam of repressed desires, and she'll be begging for any new experience Mr. Harrison can provide.

Mr. Harrison will let her play with a collared woman where she'll get her first taste of another woman while he fills her from behind. Then Laura's playmate will get to **eat all of that creamy goodness up when Laura sits on her face**. The true test will be when she begs to be **ganged**. One man will pound and stretch her for the first time while another man roughly uses her mouth.

After all the fun seems like it will be over, the collared woman will **clean her backdoor of all of the mess while she fists Laura**. All of the pains and ecstasies will combine into an incredible **squirting release!**

The real question is whether she'll try to forget the night ever happened or whether she'll follow the rabbit down the deviant and adulterous hole.
