We're an "instant gratification" generation—but most change happens gradually.

Many of us spend our lives searching and longing for something more than what is in front of us. Whether it's traveling abroad or chasing cheap (or expensive) thrills, we're all looking for the medicine to satisfy our restlessness. And so often we're looking in the wrong place.

The In-Between is a call to accept the importance that waiting plays in our lives. Can we embrace the extraordinary nature of the ordinary and enjoy the daily mundane—what lies in between the "major" moments? Learning to live in this tension, to be content in these moments of waiting, may be our greatest struggle—and our greatest opportunity to grow.
