## **Twin Flames: Poetry of Love** Edwin Page

This book has been created by combining the author's poetry of love ebook trilogy. In their original form the editions were entitled Twin Flames, Sacred Waters and Night Whispers, and this new book is divided into three sections to stay true to this format. What follows are the descriptions for each of the elements that make up this compilation...

### Twin Flames

Twin Flames burn fiercely with the fire of love. They are drawn together across space and time and their flames entwine to become one. This flame of union flickers with vitality and life, eclipsing even the light of the sun. Twin Flames can illuminate the world entire with their glorious light. Their love for each other is profound. It is unfettered, nourishing, sustaining and given unconditionally. They shine bright with its beauty, their angel's wings unfolding with the power of its majesty.

### Sacred Waters

Your eyes are the sacred waters of your existence. They hold your secrets in their depths. Your hopes and dreams glimmer upon the ripples. Currents of emotion and thought move through them. They are the oceans of your inner self and contain the reflection of the world. Your feelings are expressed by them. Your eyes can simmer with lust or contain the yearning of heartfelt desire. They can shine with the glorious light of love and communicate beyond words. They are the gateway to your heart and the expression of all you hold within.

### Night Whispers

Dreams whisper in the night and weave threads through the daylight hours. The night is a place of magic and mystery in which visions are had and lovers can unite beyond space and time in dreamscapes of wonder. When darkness draws its veil across the land images and scenes play upon its black velvet. Night is home to the whispers of longing and desire. When the distractions of the outside world are hidden, the inner world comes to the fore and flights of love's fancy lift you to the stars.

Overall, this is a book of 'down-to-earth' poetry and prose about love. Mr Page believes that at the heart of creativity is the ability to communicate directly with people in often beautiful and profound ways. He feels that art and writing that requires explanation or translation fails at this most vital level. Because of this his poetry is written without pretence and for anyone to understand and enjoy, so that anyone can be touched by his words
