## **365 Days of Mental Siege** Dan Sutherland

"This story takes place in Vietnam, in 1971, as American warplanes were still raining bombs down on the NVA military sanctuaries inside Cambodia. The war was in full swing and America was giving helicopter assistance in support of South Vietnamese operations near Snoul Cambodia.

The military operations, launched to cut off enemy infiltrations and supply lines on the Long Mountain Trail, sixty miles west of Saigon was tragic as it turned to disaster.

This is the chain of events leading up to that disaster on Vietnam's Western Military Border.

Written and recounted by Dan Sutherland.

Rockford, Ill"
