A new, mysterious, tenant has moved into the condominium located on 15 North Street in Seattle, Washington. His name is David Luscious. He is tall, handsome, muscular, charismatic, but he is more than just a man. He is a vampire! Byron McKnight is the building manager of that condominium. He is a hard-working man who has earned the respect of each and every single tenant living in the condominium. He lives a rather boring life with Carol, his wife of two years. But that will soon change. Byron has no clue that a creature of the night is living among them. When Byron comes to the aid of David's latest victim, Samantha Fox, he is no match for David and his extraordinary powers. The reason Byron came to Samantha's defense is because he has a certain connection with Samantha Fox. You see, Byron and Samantha have history together; sexual history! When Byron finds out that vampire David Luscious has plans to victimize all of the tenants living in the condominium he must create a plan of action to defeat David Luscious. Will he be able to save the tenants of 15 North Street from certain danger? Will he be able to stop David Luscious? Will Byron be able to save the people he cares for the most?
