The Change and Cherish trilogy, based on the true story of Emma Wagner Giesy, now available in one volume:

A Clearing in the Wild

When Emma's outspoken ways and growing skepticism lead to a clash with the 1850s Bethel, Missouri colony's beloved leader, she finds new opportunities to pursue her dreams of independence. But as she clears a pathway West to her truest and deepest self, she discovers something she never expected: a yearning for the warm embrace of community.

A Tendering in the Storm

Determined to raise her children on her own terms, Emma suddenly finds herself alone and pregnant with her third child, struggling to keep her family secure in the remote coastal forest of the Washington Territory. As clouds of despair close in, she must decide whether to continue in her own waning strength or to humble herself and accept help from the very people she once so eagerly left behind.

A Mending at the Edge

As a mother, daughter, sister, and estranged wife, Emma struggles to find her place inside—and outside—the confines of her religious community. Emma reaches out to others on the fringe, searching for healing and purpose. By blending her unique talents with service to others, she creates renewed hope as she weaves together the threads of family, friends, and faith.
