**I Was a Child: A Memoir** Bruce Eric Kaplan

***I Was a Child* is an illustrated memoir by Bruce Eric Kaplan, the renowned *New Yorker* cartoonist.**

Bruce Eric Kaplan, also known as BEK, is one of the most celebrated and admired cartoonists in America. *I Was a Child* is the story of his childhood in suburban New Jersey, detailing the small moments we all experience: going to school, playing with friends, family dinners, watching TV on a hot summer night, and so on. It would seem like a conventional childhood, although Kaplan's anecdotes are accompanied by his signature drawings of family outings and life at home—road trips, milk crates, hamsters, ashtrays, a toupee, a platypus, and much more. Kaplan's cartoons, although simple, are never straightforward; they encompass an easy irony and dark humor that often cuts straight to the truth of experience. Brilliantly relatable and genuinely moving, *I Was a Child* is about our attempts to understand the mysteries that are our parents, our families, and ourselves.

*From the Hardcover edition.*
